

INTERNATIONAL JOURNAL OF PHYSICAL SCIENCE

Volume 4, Number 2, 2009

S/No.	Contents	Author(s)	Pages
1.	The Medicinal Potential and Antimicrobial Evaluation of <i>Heptis suaveolen</i> Whole Plant	P. A. Egwaikhide, C. E. Gimba and S. O. Okeniyi	1-4
2.	Time Complexity of 4-Row Rail Fence Cipher Encryption Algorithm	J. O. Omolehin, O. C. Abikoye and A. O. Bajeh	5-11
3.	Effect of Self-Efficacy and the use of Electronic Resources on the Students Academic Performance in Nigerian Colleges of Education	Olaniyi, Esther Temitope and Ayoade, Olusola Bamidele	12-19
4.	The Role of Information Technology in Sustainable Development	Anthony Umukoro	20-29
5.	Deploying Modern Java Technology for Client/Server Communication	Eke, B. O. and Ajah Chinyere R.	30-36
6.	The Propagation of Modified Dust Ion Acoustic Waves in a Magnetized Dusty Plasma	Nuradeen Aliyu Kankia	37-38
7.	Alternative Energy in Nigeria's Energy Mix: Opportunities and Challenges	Etonihu, A. Chris, Musa Chagga and Mohammed, Yahaya	39-48
8.	Enhancement of Communication and Learning Skills through the Application of Information and Communication Technologies (ICTS)	Bassey, I. E. and Eneji, S. E.	49-52
9.	Atmospheric Corrosion of Roofing Sheets Due to Gas Flaring in the Vicinity of Kwale/Okpai Gas Plant, Delta State, Nigeria	Oseji, Julius Otutu	53-56
10.	X-ray Diffraction (XRD) Analysis of Rice Husk Ash	Omatola, Kingsley M. and Onojah, A. D.	57-64
11.	Solution of One-Step Arrhenius Reaction with Variable Thermal Conductivity	Olanrewaju, P. O., Egunjobi, A. S., A. O. Adesanya and Ayeni, R. O.	65-68
12.	Seasonality of Birth in North-Western Nigeria	Amaefula Chibuzo G.	69-74
13.	Biometric Solutions for Examination Malpractices in Nigerian Universities	Olufemi Sunday Adeoye	75-79
14.	Diurnal and Seasonal Variations of Radio Refractivity Over Akure, Nigeria	Adewale, A. O., Olopade, M. A., Oyeyemi, E. O., Ayantunji, B. G. and Allege, G. O.	80-88
15.	A Matrix Laboratory Program to Solve Coefficient of Determination (R^2) Involving High N-Degree Polynomials	O. A. Dike	89-90
16.	Assessment of the Analysis of some Heavy Metals in the Tincan Harbour, Lagos Nigeria	Ehirim Appolinus Ikechi	91-97
17.	Conditions of Oscillatory Differential Equations	Adamu Wakili	98-102
18.	Effect of Different Drying Temperatures on the Viscosity of Dehydrated Okra (<i>Hibiscus Esculentus</i> L.) Dispersed in Water	Omole, J. O. and Ogunbamise, O.	103-106
19.	Understanding the Fixation of Disperse Dye on two Commercial Fabrics – A Comparative Analysis between Cellulose Acetate and Nylon	Ibrahim Sada and Abubakar Ishak	107-110
