

INTERNATIONAL JOURNAL OF MICROBIOLOGY

Volume 2, Number 1, 2010

S/No.	Contents	Authors	Pages
1	Phyto Chemical and Anti Microbial Activities of Henna (Iwsonai Inermis) Leaf Extract	K.E. Ayeni	1-4
2	Awareness of Control Measures of Childhood Killer Diseases Among Women of Child Bearing Age in Nnewi South L.G.A. Anambra State, Nigeria	Asika E.C., Okhai O., Idonije O.B., Achimalo M.N., Njoku C.J. and Ugochukwu J.A.	5-11
3	Aedes (Stegomyia) Mosquitoes in the Ashanti Region of Ghana: Implication for Yellow Fevers Outbreak	Reuben K. Esena and Frank P. Amoyan	12-15
4	Airborne Microflora of Lecture Theatres in University of Benin, Benin City (Ugbowo Campus) Nigeria	Oshoma C.E. and Eyong M.M	16-21
5	Evaluation of Chilli Pepper (<i>Capsicum Frutescens</i>) Powder in the Control of <i>Sitophilus Oryzae</i> (L) in Store Maize	A.A. Santuraki and N.D. Ibrahim	22-25
6	Phytochemical Screening and the Elementary Investigation of the Antimicrobial Activities of Carica Papaya (Pawpaw) Leaves Extract	Uzoh Raymond ., Ambi R., Hamisu Ahmed Vandi Simon and Aisha Ahmaed'	26-29
7	Preliminary Investigations of physicochemical Properties of Three Different Sources of Water Samples Found During Dry Season Around Maiha Local Government Adamawa State	Abraham Ebimieyefa, A Babayo, A and Christain Emem	30-34
8	The Effects of Alteration of PH on the Breeding Characteristic of Mosquitoes in Phytotelemata in Ahmadu Bello University Zaria, Nigeria	O.J. Afolabi, I.S. Ndams, C.E. Mbah and E. Kogi	35-39
9	Prevalence of Malaria in Enugu South Government Area SouthEastern Nigeria: A Retrospective Study	Iloghalu U.B., Ogbuagu C.N., Ogbuagu E.N., Oguoma V.M. and Iloghalu I.M.	40-43
10	Response of Intercropping Cowpea with Pearly Millet Infected with Downy Mildew (<i>Sclerospora Graminicola</i> (SACC) Schroet) on the Incidence of Downy Mildew in the Savanna Zone, Nigeria	Gaya A.G.	44-52
11	Total Heterotrophic Microbial Profile of Selected Municipal Waste Dump Soils in Port Harcourt City, South-South Nigeria	Okwelle A.A. and Ihua-MJoduenyi G.	53-56
12	Effects of <i>Annona Muricata</i> on Liver Enzymes in Paracetamol Overdose-Induced Liver Damage in Albino Rats	Ogah Onwuchkwa, Udu Ibiam A., Afiukwa Celestine A., Edeogu C.O. and Ugwu Okechukwu O.	57-63
13	Biodegradation Potentials of Indigenous Bacterial in Warm Petroleum Effluent	Atuanya E.I., Ajuzie C.U. and Prester U.	64-68
14	Hematological Parameters Observed in the Assessment of the Efficacy of Ibuprofen in the Management of African Trypanosomosis in Infected Rats	Sulaiman A.F. and Ekanem J.T.	69-73
15	Candidiasis in Pregnant Women	Obidi O.F., Oladipupo T.O. and Onyeka-Ubaka J.N.	74-82
16	Logistic Regression Equation of Diabetes Risk Sore Among Nigerians	A.N. Adamu, A.E. Ohwovoriola, J.K. Olarinoye, O.A. Fasanmade, C.O. Ekpebgh and S.B. Adebayo	83-91
17	Assessing the Pollution Level of Oguta Lake: Implication for Fish Life <i>Vis A Vis</i> Foods Security in Imo State	Mary Felicia Opara and Chinyelu Umeaku	92-100
18	Detection, Identification of <i>Mycoflora</i> and <i>Mycotoxins</i> in Groundnuts Produced in Bida, Niger State	Abalaka M.E., Daniyan S.Y. and Adeyemo S.O.	101-104
19	Antibiotics Susceptibility Pattern of Uropathogenic Bacterial Isolates from Community- and Hospital Acquired Urinary Tract Infections in a Nigerian Tertiary Hospital	Nwadioha E.E. Nwokedi, E. Kashibu, IG.T.A. Jombo and O.O.Alao	105-109
20	Nutritional Status and Prevalence of Malaria Infection Among Fifty Nine Months Old Children, in Borno State	A.A.G. Benisheikah, A.A. Biu, F.B.K. Kolo and M.Z. Kyari	110-113
21	Lack of Inhibitory Effect of Antimicrobial Peptide (Psoriasin) on <i>Escherichia Coli</i> in Nigerian Hands	A.A. Onifade, S.T. Alademika, O. Tomori, B.O. Akinsipe B.H. Oladeinde, K.A. Digban A., T.Mokogwu and B.A. Adejumo	114-118
22	Microbiological Quality of an Edible Caterpillar of an Emperor Moth, <i>Bunaea Alcinoe</i>	W.Braide, T.G. Sojari, A.D Hart and R.N. Nwaoguikpe	119-126
